David Lloyd SC and Amelia Avery-Williams act for life insurers on appeal to the Full Federal Court who confirms availability of s.29 Insurance Contracts Act for continuing misrepresentations

In AIA Australia Ltd v Sharma, the Full Federal Court unanimously confirmed that s.29 of the Insurance Contracts Act is available where there has been a continuing misrepresentation. In Sharma, the misrepresentation by the life insured was continuing when the Trustee changed group life insurers, even though the second insurer did not underwrite the cover or reassess the risk of that life insured. David Lloyd SC and Amelia Avery-Williams appeared for the life insurers. The full judgment can be found [here](#).
